SIGNS OF DESTINY: CROP CIRCLES AND SACRED GEOMETRY CONFERENCE 2002

EGYPTIAN THE SCIENCE OF IMMORTALITY: Parts 1 and 2, with John Anthony West. Ancient Egypt was a one-issue civilization - its energies were entirely devoted to expressing and furthering its doctrine of Immortality. The number symbolism, the geometry of the temples, the fabulous architecture, art and sculpture, even the gods themselves, all played a role in this astonishing doctrine that fused science, art, religion and philosophy into a single, coherent Wisdom Teaching. Mere lectures do not allow enough time to broach this broad subject, but this 3-hour Institute provides a golden opportunity to explore Ancient Egypt's major aspects in depth, along with my latest research into how that system actually performed. This presentation is his Friday afternoon workshop. SIGNS-01a & 02a • 2 90 min Audios • \$22.00 / SIGNS-01 and 02 • 2 90 min Videos • \$39.95

THE GREAT SPHINX AND THE QUEST TO REWRITE HISTORY, with John Anthony West. A writer, scholar and Pythagorean from New York, John Anthony West is the author of "The Traveler's Key to Ancient Egypt" and "Seprent in the Sky: The High Wisdom of Ancient Egypt." The ancient Egyptians attributed their wisdom to an earlier age going back 36,000 years. John set out to test whether the Sphinx is older than its recognized date of 2,500 B.C. His finding provide the first hard evidence that an earlier civilization preceded Egypt's dynastic history. Today he's an authority on the "Symbolist" school of Egyptology, a view first proposed by French scholar-philosopher, R. A. Schwaller de Lubicz. In the Symbolist view, ancient Egyptian art and architecture disclose richer, more universal wisdom than conventional Egyptology has assumed. John Anthony West won an Emmy Award for his 1993 NBC Special Documentary, "The Mystery of the Sphinx," hosted by Charlton Heston. This presentation is his Saturday evening keynote address. THE IMPORTANCE OF HOW AND WHEN THE CROP CIRCLE PHENOMENON BEGAN, with Colin Andrews. One of the earliest and best-known crop circle researchers and authors, Colin became involved in this mystery when, in 1983, he saw a quintuplet formation near his home in Andover, England. An electrical engineer by training, he was intrigued about what forces could create such perfect glyphs in crop fields. In 1989 he and Pat Delgado wrote "Circular Evidence," a best-seller, followed by "Crop Circles: The Latest Evidence," a year later. Colin founded Circles Phenomenon Research International (CPRI) and later moved to Connecticut. His scientific investigations have been widely recognized as models in the field and he has been featured in many crop circle documentaries. Recently, he has stated that while he considers many complex formations to be man-made, one cannot rule out unknown paranormal involvement in the rest. THE CIRCLES, THE SCIENCE AND AN EYEWITNESS ACCOUNT, with Nancy Talbott. Raised in Baltimore, Nancy studied psychology at Johns Hopkins and Harvard. After discovering the crop circle phenomenon in 1991, she worked with Michigan biophysicist Wm. C. Levegood and John Burke, organizing an international reporting and field-sampling network for Wm. Levegood's laboratory analysis. In 1999 she incorporated the BLT Research organization into a non-profit corporation, which she now heads, and received a Laurence Rockefeller grant. With this funding she has expanded the scope of crop circle research so that BLT Inc. team now includes scientific consultants from multiple disciplines. Having herself had both personal experiences and scientific training, Nancy has a unique perspective on this ongoing enigma. In 1990, he became fascinated with the visually-inspiring crop circle phenomenon. As the numbers of Canadian formations grew, he saw the need for an organized network of local researchers to study them scientifically. He help found the group that is now known as the "Canadian Crop Circle Research Network." It links researchers in seven Canadian provinces. As its coordinator, Francine now edits "The Spiral," and organizes the Wiltshire Crop Circle Conference each summer. An accomplished painter, she learned digital photography for the group's annual calendar, the only one to feature color aerial photos of the current season. Cannon is a regressive hypnotist specializing in past life recall, and she is fascinated by the details of history revealed by many of her subjects. Through her communication with Nostradamus, she has written three volumes of "conversations" which interpret almost 1000 prophecies of the 16th century seer. Her Nostradamus series is particularly interesting, as her subjects appear to have traveled through both time and space while in trance, and to have contacted the living Michel de Notredame. (Nostradamus) in his own time. Dolores Cannon is a warm and likable person. Working through several different subjects, Dolores was able to establish communication with the living Michel de Notredame better known as the prophet, Nostradamus. BIGFOOT / UFO CONNECTION, with Jack "Kewaunee" Lapsertis. Kewaunee Lapsertis is a social scientist, applied anthropologist and health care professional who has thoroughly researched the Bigfoot/Sasquatch phenomenon for the last 45 years. In 1979, Kewaunee received the shock of his life when both a Bigfoot and ET simultaneously communicated with him telepathically. Since that time, he has documented 95 percipients, including a college professor, a government administrator and a whole array of people who have had similar psychic close encounters. Unlike many researchers looking for hard evidence of this elusive creature, Lapsertis has concentrated more on documenting the "experience" of the phenomenon, and gathering first-hand accounts of contacts. His "proof" is not a dead body, nor even a plaster cast, but takes the form of a consensus reality. That is, after hearing dozens of accounts of Sasquatch contact from witnesses who tell similar stories it is impossible for him not to accept the truth of these experiences. His findings are chronicled in his book, *The Psychic Sasquatch and Their UFO Connection*. BACN-08a • 105 min Audio Tape • \$12.00 / BACN-08 • 105 min VHS Video Tape • \$19.95

OUT-OF-BODY ADVENTURES, with Albert Taylor. Al Taylor, Ph.D., left behind nearly two decades of work as an aeronautical engineer/scientist to become a metaphysical researcher, teacher, lecturer and artist. Taylor describes his Out-of-Body (OBEs) with great insight and humor. Taylor reveals how these paranormal events have impacted his personal growth and relationships. Born and raised in Southern California, at seventeen, he elected to serve his country by enlisting into the United States Air Force. During his tour of duty in the USAF, he continued his education by attending nearby colleges and universities. His aerospace career continued as he performed development engineering on a top-secret program which has since become known as the F-117A Stealth Fighter. He was also involved in NASA's International Space Station program. After a myriad of paranormal events, and as a result of a spiritual awakening, Taylor left behind nearly two decades of work as an aeronautical engineer/scientist, to author and publish his book, *Soul Traveler*. With his characteristic wit, he reveals how paranormal events have impacted his personal growth and explain step-by-step how you can also have an OBE. PARADIGM POLITICS, with Daniel Sheehan. Daniel Sheehan is a social activist who has spent virtually his entire life working on progressive social programs and initiatives. As the Legal Counsel on such nationally-recognized investigative cases involving government as The Karen Silkwood Case, The Iran/Contra Case, The Pentagon Papers Case, The Watergate Burglary Case, and The American Sanctuary Movement Case, Dan brings to the issue of Extraterrestrial Intelligence and the UFO Phenomenon a unique background in investigating and exposing the world of American governmental covert operations, "black budget" operations, mind control programs, government disinformation projects, covert warfare and clandestine operations. He established the Christic Institute in Washington, DC, which for nearly two decades was the country's preeminent public-interest law firm. Mr. Sheehan served as Legal Counsel for Dr. John Mack when he was called before a Harvard University faculty committee to answer for his position on alien abduction. Recently Daniel served as Director of "The Strategic Initiative to Identify the New Paradigm" for the State of the World Forum. He currently teaches World Politics at UC Santa Cruz and acts as General Counsel to Dr. Stephen Greer's Disclosure Project. INTUITIVE ANIMAL COMMUNICATION, with Raphaela Pope. Raphaela Pope was a critical care nurse for many years before becoming a telepathic animal communicator. She has made her living for many years by talking to animals about life and death, about health and behavior problems, asking their opinions and discovering their desires. She has spoken with animals in their homes, shelters, rehabilitation centers, humane societies, on ranches, and in the wild. From this background of daily conversation and interaction, she has developed an authoritative vision about who and what animals are, what motivates them, and what their wisdom and insight can offer humans in an electronic age. She is an expert teacher, workshop leader, and sought-after speaker by animal clubs and organizations. Her journey is described in her book, *Wisdom of Animals: Communication Between Animals and the People Who Love Them*, which she co-wrote with Elizabeth Morrison. She helps people locate lost pets, solve behavior problems, diagnose illnesses and even simply find out what their pets are thinking. In her presentation she shares some simple techniques with the audience. BACN-13a • 90 min Audio Tape • \$12.00 / BACN-13 • 90 min VHS Video Tape • \$19.95

FORBIDDEN ARCHAEOLOGY, with Michael Cremo. Michael Cremo is on the cutting edge of science and culture issues. In the course of a few months' time he might be found on pilgrimage to sacred sites in India, appearing on a national television show, lecturing at a mainstream science conference, or speaking to an alternative science gathering. As he crosses disciplinary and cultural boundaries, he presents to his various audiences a compelling case for negotiating a new consensus on the nature of reality. Michael Cremo is a member of the History of Science Society, the World Archeological Congress, the Philosophy of Science Association, the European Association of Archaeologists and associate member of the Bhaktivedanta Institute specializing in history and philosophy of science. Michael Cremo's book *Forbidden Archeology* has become a classic in the history of archeology. It is filled with evidence showing that humans like us have existed on earth for tens of millions of years. This stands in stark contrast to the conventional scientific beliefs that humans like us have been present on this planet for only about 100,000 years. In his talk, Michael shows some of the more spectacular examples of what have been called out-of-place artifacts and outlines the extreme antiquity of humanity. He also explains how he was inspired by the ancient Sanskrit writings of India and other wisdom traditions. BACN-14a • 2 hour Audio Tape • \$12.00 / BACN-14 • 2 hour VHS Video Tape • \$19.95

ANCIENT WISDOM / NEW SCIENCE - 2002 CONFERENCE

TALKING TO THE OTHER SIDE, with Mark Macy. Based in Boulder, Colorado, Macy is part of a growing inter-

national community of people working to contact the deceased. Mark Macy was an agnostic until a brush with colon cancer set him on a spiritual search in the 1980s. Then he learned about the miracles of Instrumental Trans-Communication (ITC): personal letters planted mysteriously in computers by invisible hands, images from other realms flashing across TV screens, and actual phone calls from angels. He immersed himself in ITC, and the amazing results of his research can be seen on his website www.worlditc.org and in his new book, *'Miracles in the Storm'*. Imagine picking up the telephone one day and hearing the voice of a professional colleague - long deceased. These researchers use contemporary electronic technology - from audio and video recorders to personal computers - for documenting what they claim are communications from their friends and associates on "the other side." According to Macy, he and his earthside colleagues are joined in this bridge-building effort by a distinguished team of deceased scientists and artists who call themselves "Timestream." His mission is simple: to present graphic evidence that the worlds of the dead and the living are coming closer together. ANCIENT EGYPTIAN HI-TECH, with **Christopher Dunn**. Christopher Dunn has an extensive background as a master craftsman, starting as a journeyman lathe turner in his hometown of Manchester, England. Recruited by an American aerospace company, he immigrated to the United States in 1969. The author's pyramid odyssey began in 1977 when he read Peter Tompkins' book *Secrets of the Great Pyramid*. His immediate reaction to the Giza Pyramid's schematics was that this edifice was a gigantic machine. Discovering the purpose of this machine and documenting his case has taken the better part of twenty years of research. In the process he has published a dozen magazine articles, including the much-quoted "Advanced Machining in Ancient Egypt" in *Analog*, and has had his research referenced in such books as Graham Hancock's "Fingerprints of the Gods" and Cohn Wilson's "From Atlantis to the Sphinx". Chris Dunn, his wife Jeanne and their children live in Danville, Illinois. In 1998, he published the groundbreaking book *The Giza Power Plant: Technologies of Ancient Egypt*, which proposed that the Great Pyramid of Giza was actually a large acoustical device that produced energy. THE INTERCEPTION: Roswell Crash Site Metal Recovery with Dennis Balthaser. Dennis Balthaser, concentrates his research on the 1947 Roswell Incident, Area 51 and Underground Bases. At the 2002 Aztec Symposium he will talk about his interception experience. While still affiliated with the International UFO Museum in Roswell, NM, in 1997 as the UFO investigator, he was contacted by a gentleman in Oklahoma claiming his father had been a military policeman at the Roswell crash site and had a piece of the metal from the crashed vehicle. Balthaser made arrangements to travel to Oklahoma to meet the gentleman and obtain the metal for testing, but was never able to meet with them. Instead he was met and intercepted by people claiming to be United States Air Force, Office of Special Investigation agents. In this lecture Balthaser gives a detailed account of the events that transpired from the original phone call through the current investigation, which is still on-going. Balthaser was in the United States Army in an Engineering Battalion. He moved to Roswell, NM in 1996, to pursue his 25 year interest in UFOlogy and particularly the Roswell Incident, Underground Bases and Area 51. As the name implies these are the proceedings discussing Drugs and Terrorism, presided over by the Hon. John F. Kerry, chairman of the subcommittee. The "Kerry Hearings," as they have become known use "hooded witnesses" (from the witness protection program), military generals, and a New York district attorney, amongst others, to blow the lid off of drug smuggling operations south of the border. It has long been known of CIA's involvement in these covert operations but this congressional testimony is another smoking gun as to Gen. Noriega and Bill Casey's participation. THE JFK-TIPPIT CONNECTION AND THE TWO OSWALDS. Lee Harvey Oswald was arrested in a Texas theater for the murder of police officer J. D. Tippit on November 22, 1963. Officer Tippit, who bore a striking resemblance to President Kennedy, was murdered within 45 minutes of the shooting of the president, and less than 4 miles away. Eyewitness reports of the dead president after the autopsy, including Jackie's, indicated that Kennedy "did not look like himself." Is there a connection? This report investigates the coincidences between the murders of these two men, includes autopsy and medical reports of Kennedy, Tippit and Oswald. Interesting reading for those so inclined. THE NEW WORLD ORDER, THE NEW AMERICA THE NEW WORLD, AND THE ANNALS OF BOHEMIAN GROVE. Few people are aware that in the 1930s the famous author H.G. Wells wrote a book called The New World Order. While considered tame compared to today's standards of what comprises the new world, his views on the "new revolution" and "class warfare" have become the standards we have come to live by. H.G. Wells had previously written another book called The New America, The New World in which he details his vision for where America is positioned in the forecast of our future. This volume concludes with an excerpt from "The Annals of the Bohemian Club: Volume VI, 1973-1987." Don't ask, don't tell. For those with an interest in such things, these 38 pages are dynamite. For those of you not in the "know," Bohemian Grove is an exclusive resort on a stand of ancient redwoods in California that hosts special events for the global elite and a two-week long conference in July where world leaders watch and sometimes take part in theatrical acts and plays some of which involve worshipping an owl deity, mock human sacrifices, cremation rituals, and other unusual activities.
